Dear Directors,

The Grenada Band program, directors, and boosters invite you to participate in the Dr. Joe Barry Mullins Concert Band Festival. The festival will be held in the Grenada High School auditorium and band hall on Thursday, April 6, 2023. The festival gives bands of all levels an opportunity to perform before an experienced and knowledgeable panel of judges. Medals will be given to bands achieving a superior rating in either Concert or Sightreading.

Our concert judges will be Brian Pitts, Sid McNeal and Toni Reece and our sightreading judge will be Ron Cox. These directors have been extremely successful in their own programs and bring a wealth of experience to our festival. All of the judges' commentary will be sent via a Dropbox folder and will be available immediately after you complete your performances. We will also provide a digital recording of your performance.
