

Directors,

As you prepare for your fall marching band season, we would like to invite you to consider attending the Northeast Regional Marching Band Championship at Northeast Mississippi Community College in Booneville, MS.

The contest date is October 2, 2021.

This will be an excellent opportunity for bands to attend a contest with a high caliber judges' panel that have teaching experience as well as quality adjudication training in their assigned captions.

The first portion will be a festival style judging for ratings only using the State Evaluation criteria. Afterwards, the competitive portion will begin using the criteria, captions, and classifications like the State Championship format, including field judges in music and visual. There will be a drum major judge added.

The quality judging panel has been hand picked for the purpose of providing constructive feedback for your band program, recordings and critique, regardless of the band's championship goals, size, or experience.

The judges will be as follows:

Music Performance/Ensemble - Jo Ann Hood

Music Performance/Individual - Jeff Cannon

Visual Performance/Ensemble – Adam Clark

Visual Performance/Individual – Matt Rowan

Overall Effect Music – Keith Heim

Overall Effect/Visual – Kenneth Calhoun

Colorguard – Kim Presley

Percussion – Jim Reed

Drum Major – Chris Sumrall

The stadium, press box location, and facilities are top-notch for the band and staffs' experience.

Plenty of awards will be presented in each class, division, with an overall grand champion being awarded.

Please consider us as an option for a positive educational experience for your staff and students!

Please contact Bryan Mitchell, Director of Bands at NEMCC, for more information.
